## Buy a Brick Program. Pathway to Technology!!!

MANVILLE'S PROJECT!  
Please be a part of this!!!

As you may be aware, the sign outside Manville High School needs to be replaced. The proposed new digital sign will be used for informational purposes by the School System, Emergency Management, Manville Borough and Police, Recreation Department and the Senior Citizens of Manville. It will become an information center for the entire town!

In order to raise enough money to erect a new sign, we have begun a "Buy-a-Brick" program. This program has two purposes. The Buy a Brick Program will run from Mid-January to April 9, when our Spaghetti Dinner is held at the VFW Hall in Manville, 2:00 to 7:00 PM. Personalized bricks start at \$135.00, and if you don't want to buy a brick you can still help by attending the Spaghetti Dinner. Look for more information about this fundraiser on Facebook (Manville Digital Sign Fundraiser) or the Manville School's website at [www.manvilleschools.org](http://www.manvilleschools.org)
